¹A statewide postal survey of all timber buyers in Vermont.

²Foresters employed by the Agency of Environmental Conservation representing each county in Vermont.

³Private consulting foresters who offer forestry assistance for a fee.

⁴The range of prices includes the lowest and highest prices submitted by respondents and the median or middle number in a series of at least five numbers, (i.e. half of the prices reported are above and half below the median price). Brackets indicate the range of four or less numbers reported or the only number reported in that category.
